## Company Overview

Founded in 2014, HORAN GULF LLC provides general construction material and building services to a broad range of commercial and industrial clients throughout the Sultanate of Oman also our company is considered as one of stone the leading suppliers. Anchored by loyal employees who are dedicated to providing superior service, and grounded in the philosophy that honesty and integrity are as important as the bottom line, HORAN has enjoyed an impeccable reputation for over 4 years. We have never failed to complete a project and have never had a bond claim. Schedules and budgets are meant to be kept, and we strive every day to do so.

Ultimately, our success in this business is measured one project at a time. After the completion of each project we undertake, there must remain a satisfied client – one who will ask us back for the next project and recommend us to others. Otherwise, we have failed in our mission of providing superior construction services. We simply try harder, and the results speak for themselves.

## Our Products:

Round polished colorful **Pebble** belongs to a class of rock with a particle size. This unique natural material can use in wide range of indoor and outdoor projects. Pebbles come in various colors and textures our product is available in 4 colors (Black, White, Red and Yellow) and 3 sizes (Small, Medium and Big) from smallest to big size between 2-15 cm.

We are affiliated with best landscape designers in region of Sultanate of Oman their understanding in horticulture and landscape architecture merge these two disciplines to design most creative and sustainable landscape. Our company is committed to provide **Interior Design Products** and service with highest quality and integrity and believe it will be a standard for others to achieve.
